

# THIRD GRADE

What is your favorite activity at recess?

Stephen Barnes — "Soccer, because it gives you exercise and sometimes you get to be goalie and block the balls."

Coley Ray — "My favorite activity is talking because you can tell stories about what you did once."

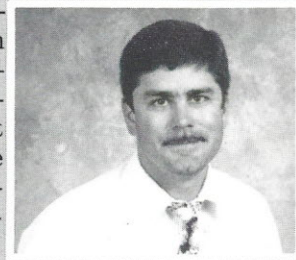

Courtney Bass — "My favorite activity at recess is kickball. I like it because you can kick the ball and run around the bases, and you can play against the boys."

Jai Swearingen — "I like them all."

Mrs. Melinda Brown

Mr. Drapeau — "I enjoy watching children as they gain a new understanding of a concept. Mrs. Brown — "It is rewarding to see the excitement that children have about learning."

Mr. Gary Drapeau

**HACKER-IN-TRAINING.** Third grader Kyle McDaniel watches and learns as he works with the computer. All the third graders enjoyed their computer class each week.

**YOUNG ENTREPRENEURS.** Third graders Jai Swearingen, and Sally McRae rack up another sale for the school store. A classmate, Michelle Perry does her part as well by buying a pencil.
