

FUN-FILLED FESTIVAL

JOIN THE FUN! Kerri Varnadore and Ellison Estes, along with the scarecrow, enjoy the Harvest Festival. Sponsored by the PTO, this year's activities included horseback riding, classroom games, craft booths, hayride, and a live DJ.

JUST A LITTLE OFF THE TOP. '94 Alumna Kensey Stevenson helps out the Junior Class by trimming and styling people's hair. Emily Clowney was one of the many customers who contributed her money for a haircut.

STORY TIME! As a new member of the Richard Winn faculty, Mr. Matthew Fletcher offers his time and talent to entertain children during the Harvest Festival.

ALL ABOARD! The PTO sponsored the annual hayride this year. It picked up and dropped off students every thirty minutes. As usual, this event was very popular.
