

TIME OUT.

... Sports ... Sports ... Sports ... Sports ...

TIME AND TIME AGAIN.

Sports at RWA were the best they have been in 30 years! In every sport we participated in, RWA was a force to be reckoned with. We brought home honors in almost every sport, including the most coveted title of all — State Champions! Both the '95-'96 football and baseball teams achieved this glory; the highlight of this anniversary school year. Despite all wins and losses, sports at RWA will always be something to be proud of.
