

**TOP FORM.** Top seed Gini Startzman, a senior, watches as her backhand lands right on the line for a winner. Gini has been number one on the team for several years and will be greatly missed by her teammates.

**FABULOUS FOLLOW-THROUGH.** Senior Frances Brown makes a nice follow-through on her backhand as she watches her opponent scramble after the ball. Frances has been an important team member for many years.

**GETTING UNDER THE BALL.** Freshman Blair Feaster bends her knees in order to execute a soft slice shot. Her soft touch often surprised an opponent who was used to facing Blair's powerful groundstrokes.

**GETTING THE JOB DONE.** Sophomore Jen Robinson gives her opponent notice that she means business as she slams a backhand back to the middle of the court. Jen's powerful shots often overpowered the opposition.

**STRETCHING THE LIMITS.** Katherine Brown, a freshman, stretches high above her head to return the ball. Katherine's flexibility on-court helped her to reach some difficult shots and stay in the point.
