

RWA players, coaches, cheerleaders, and fans made this football season ...

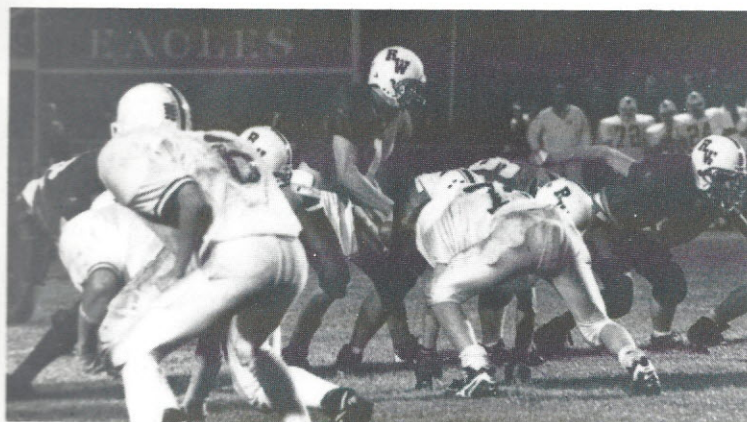

SOMETHING WORTH REMEMBERING

NEVER HAD IT SO GOOD!

As the 1995 State Champions celebrate, they realize that it can't get any better than this. Our Eagles had an undefeated season and went on to bring home the first football State Championship trophy.

SMOOTH AND CREAMY.

During the last pep rally, Freshman Julian Hamilton and Junior Joe Renwick fire up the student body for the final game. These guys had everyone laughing as they sang about their favorite shaving cream.

SNAP TO IT.

Despite the pressure from the defense, Center Jonathan Collins makes a good snap to Quarterback Travis Simpson. This duo skillfully handled their assignments throughout the season.

AS FAST AS FAST CAN BE.

Fighting his way through the defense, Joseph Cope, a Junior, makes another long run against R.E. Lee. Joseph, along with six of his teammates made All - Conference for the season.
