

TEAMWORK.

“What made this season special was that everyone stuck together, despite the practices that were sometimes long and rough. No one played for themselves. We all played for the team, school, and fans, but most importantly we played to win.”

Tackle Paul Melton

ANTICIPATION.

“The week before the final game I was nervous but confident, and when the game finally got here it was very exciting. Joy and a sense of satisfaction followed the game. It’s a proud feeling being part of a State Championship team.”

Defensive tackle Bob Harkins

ALL FOR ONE.

“What made this team different than last year’s team was we all knew each other better so we played together as a team.”

Tailback Joseph Cope

WELCOME TO THE JUNGLE.

Charging through the banner, the Eagles take the field ready to slaughter yet another opponent. The cheerleaders and fans fired up the team before every game.

BLASTA HOLE.

Choosing a gap, tailback Travis Kingsmore takes advantage of teammates’ blocks to gain a first down. Just another example of teamwork displayed by the Eagles in their run to the Championship.

STANDING TALL. With pride and anticipation of the homecoming kickoff, the Eagles salute America as they stand tall and reverently. The Eagle machine went on to defeat Jeff Davis by the score of 50-8.

LEADERS OF THE PACK. Before the LAST BIG game, Seniors David, Paul, Charlie, Travis, and Andy represent the Eagles as captains. Led by these players, the team captured the AA title of State Champions.
