

**SURVEYING THE SITUATION.**

Coach Renee' Allen watches her team intently during a game. Coach Allen has worked with the softball team for many years now, and once again, she led the team to a winning season.

**DEFINITE DETERMINATION.**

Senior hurler Edie Pope has a look of fire in her eyes after delivering another pitch. Behind, Gini Startzman, also a senior, is ready to field any hit that might come her way.

**FASTER THAN A SPEEDING BULLET.** Sub-freshman Vanessa Guy glides past third base in an attempt to beat the throw home. Fortunately for Vanessa, her speed was more than fast enough to beat the fielder.

**BETTER LATE THAN NEVER.**

Although the ball gets to freshman Frances Ladd a little late, she makes a great effort to get there. Despite that play, the Eagles still overwhelmed their opponent.
