

# FRESHMEN

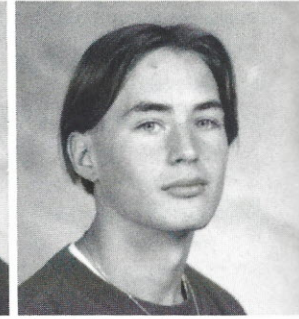

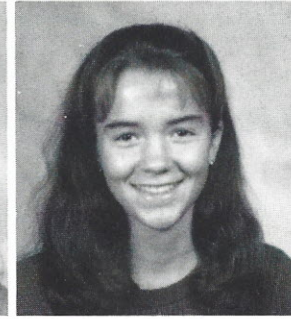

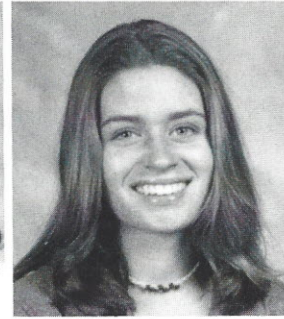

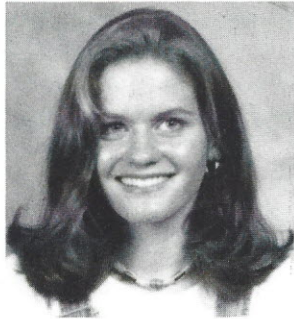

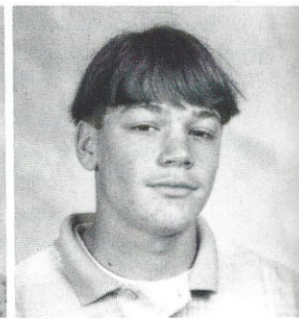

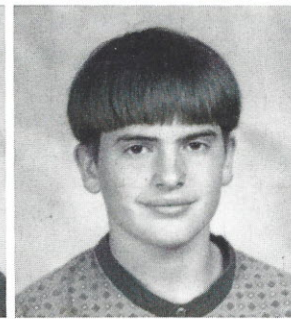

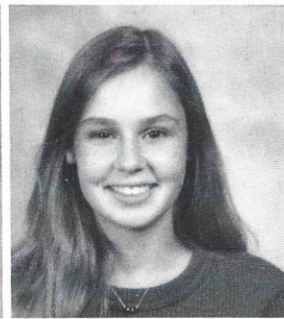

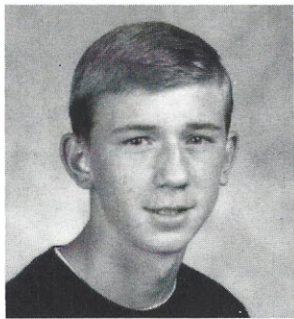

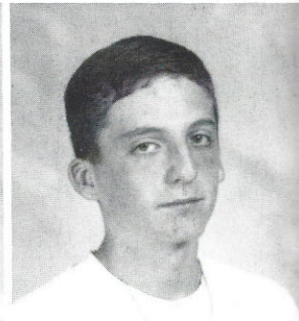

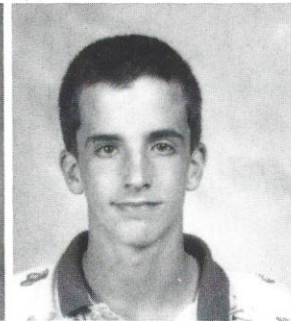

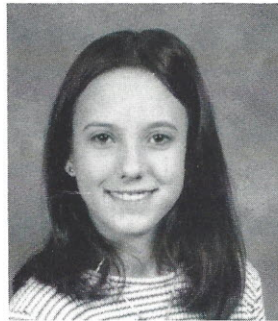

STRIKING UP THE FUN! Earl Ogburn, Mike Leitner, Russ Brown, Locke Frazier, Vanessa Guy, and Justin Wilson watch closely as Russ gets his first strike. The 9th grade PE class enjoyed this trip to the Royal Z Lanes chaperoned by instructor Martha Ladd.

BE EGGS-TRA CAREFUL! Some 9th graders watch as they drop their eggs, testing their homemade containers. Although Earl and Joseph tied for 1st place, all of Mrs. Allen's phys. sci. students learned that science can be fun & educational at the same time.
