

"TREE" MENDOUS! Mrs. Martin and Mrs. Hazen's energetic four year olds show how proud they are to have taken part in the Arbor Day Program. Sponsored by a local garden club, these youngsters helped dig the hole to plant this crepe myrtle tree in front of RWA.

TOYS 'R US! Comic heroes, ballerinas, and soldiers capture the spotlight of the five year old Christmas program. The children enjoyed this dress-up occasion and like always, the program was well enjoyed by family and friends.
