

# FACULTY/STAFF ... FACULTY/STAFF

## Teachin' Life

**GEARIN' UP FOR A NEW YEAR.** Mrs. Beth Harwell and Miss Fran Miller, both fifth grade teachers, busy themselves getting the main bulletin board ready for the new school year. Faculty members share the task of keeping the bulletin boards up-to-date and decorated for the student body each month.

**HOW!** Mrs. Miriam Costenbader greets the camera with a big smile. She joined her first graders in dressing the parts of Indians and Pilgrims as they celebrated their own "First Thanksgiving." Could Mrs. Costenbader be happy that the holidays are about to begin, and is she looking forward to spending more time with her husband and son? YOU BET!!
