

BACK AGAIN! After winning a second straight championship, the Eagles are all smiles as they celebrate. This exceptional team not only brought home another trophy, but they hold the longest running winning streak in our state.

EVERY BLOCK COUNTS. Center HOG, Matt Wagaman, works hard to assure that quarterback Travis Simpson has plenty of time to run the play. Due to the determined effort of the line, only two sacks were allowed the entire season.

OFFENSE BEGINS HERE. During the first game the Eagles give the fans a preview of the season to come, as they demolish Robert E. Lee. The Eagles showed no mercy as they beat the triple-A team 42 to 0 on their own home field.
