

**LISTEN UP, GUYS!** While the game officials confer, J.V. Head Coach Mike Robinson shouts instructions to the Eagle offense during a time out. Coach Robinson did double duty this year, coaching the j.v. squad and also assisting with the varsity team.

**D-E-F-E-N-S-E!!** J.V. Eagle defenders swarm a helpless Cambridge Academy Cougar. Our awesome defensive team managed to hold all their opponents to a mere 16 points total for the season.

**TARGET HUNTING!** Under an official's watchful eye, ninth grade tailback Justin Wilson perfectly executes an option play against Clarendon Hall. Justin's speed and natural athletic abilities were valuable to the team's success.

**READY OR NOT, HERE I COME!** Eighth grader Keith Carter gets ready to throw a block for running back Philip Wilkins, a freshman, on a punt return. This backfield duo were just two of the fine athletes on this young team.

**T-O-U-C-H-D-O-W-N!!** Lee Shannon, an eighth grade tight end, easily crosses into the end zone to score another touchdown against the Clarendon Hall team. Lee's contributions to the team will surely be missed in the '97 season.

**EATIN' DUST!** Freshman fullback Spencer Gibson leaves a "smokin' trail" as he outdistances three Clarendon Hall Saints in a home game. Spencer's speed and ability to find the openings were too much for the Saints.
