# Head Start

with the help of Gary Drapeau and seniors.

**A HEAD ABOVE THE REST.** Senior leader Stacey Davis makes a great defensive play by heading the ball down the field. At the end of the season, Stacey was honored as an All-Region player for his hard work.

**BREAK LOOSE.** All-Region player Jim Edwards starts a fast break down the field. Jim, a sophomore, was also selected as Most Valuable Player by his teammates.

**CONCENTRATION.** Junior Jesse Pugh gets set to block another attempted goal. At 6'5", Pugh's height was a great advantage reaching balls.

**JUST KICK IT.** Mike Schaeffer cuts the angle in order to get to the ball first. The Eagles went on to defeat Newberry at home, their first win of the season.

**STEAL IT!** Seventh grader Paul Atkinson uses great technique to steal the ball away from the opponents. Paul, one of the youngest players on the team, always demonstrated teamwork and determination.
