**4 Wins - 8 Losses**

**GAME, SET, MATCH!** It's all over for Smith Harden's opponent! Only a sixth grader, this was Smith's first year as a member of the Eagles tennis team.

**UH-OH!** There's no chance for Bubba Pope's opponent to return that awesome shot! Bubba, a senior, managed to juggle his after-school activities to include participation in both tennis and soccer.

**SLAMMIN' IT BACK.** The other player has little time to prepare for Chris Spires' backhand shot. Chris, a junior, also managed to find time to play both soccer and tennis during the spring.
