

**HUNTIN' AROUND.** Senior Bob [Name] hides out in a group of camouflaged second graders. When Bob wasn't playing football, he could often be found in the woods hunting.

## Camouflage Day ...

**DR. SEUSS, PERHAPS?** Nope, it's just Jesse LaCons displaying his unique "Cat in the Hat" hat to show his spirit on Hat Day. Jesse was one of the many students who especially seemed to enjoy this dress-up day.

## Blue & Gold Day ...

**EAGLES ROCK!** Mrs. Bell's second graders, Daniel Guy and Blythe Douglas, admire their door which is decorated for Homecoming '96. Students and teachers alike get into the spirit of preparing for the big football showdown.

**WRAPPED IN SPIRIT!** Not only does B.J. Freeman have his face painted for Friday's Blue and Gold Day, but he also finds himself "tangled" up in spirit links. The third grade class won the spirit link contest this year.
