

# JOYFUL, JOYFUL!

**ANGEL ON EARTH!** Sixth grader Josh Allen plays the role of the littlest angel in the Christmas program. All of the actors worked diligently on this program and it was a great success.

**SOUNDS OF JOY!** Marion Sprott, a senior, captures the heart of the audience as she sings a solo. Throughout the years, Marion has contributed greatly to the R.W.A. chorus.

**TELL IT LIKE IT IS!** Kyle Drapeau proudly narrates the program for the lower school as he is accompanied by his classmates. Many teachers took time out to help with the preparations for this program.

**MAKING A JOYFUL NOISE!** The lower school chorus sings a variety of favorite carols shared among the family of R.W.A. Everyone enjoyed the program and cooperatively sang along.
