

**FRIENDS FOREVER.** Seniors Caroline Carter, Robin Fletcher, and Martha Stevenson take a break from dancing to smile for the camera. The Prom will be one of the many memories these and the other seniors will take with them when they go.

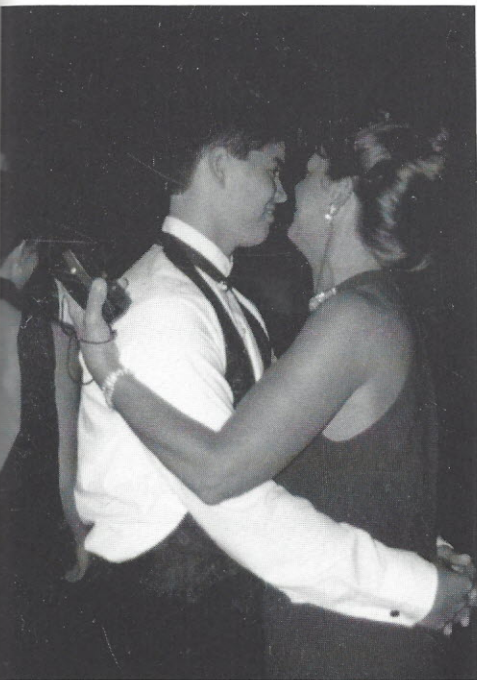

**WORKING GIRLS!** Juniors Catie Gaston and Melissa Young along with the Junior sponsor Heather Driggers work together as they assemble one of the props for the Prom. Miss Driggers' hard work and dedication throughout the "Prom season" was greatly appreciated by the junior class.

**Y-M-C-A!** Sophomore Kate Jackson along with a very energetic group dance to this traditional song. This song was one of the many times the students showed off their dancing skills.

**LIGHTS, CAMERA, ACTION** ... Juniors Jen Robinson and Lindsey Bonds check each of the strings of lights to make sure they work before decorating with them. This was just one of the many small yet important jobs that had to be done before Prom night arrived.

**PROM MOM.** Junior Chris Spires takes time away from his friends to share a dance with his mom. Many of the parents, including Mrs. Spires, spent time helping the juniors get the Prom together.

**TOGETHER AS ONE.** Jonathan Myers and his date as well as Catie Gaston and her date make the most out of one of the slow dances. These types of songs proved to be special for everyone.
