

Your graduation is a time for special thoughts and memories, Grandson, but no matter what the day, you'll always be close in mind and heart.

For you are a grandson to be proud of—
a grandson who is a wonderful person
as well as an important part of the family,
a grandson whose caring and thoughtfulness are a special joy
and whose accomplishments are a source of pride
to those who know and love him best!

WE LOVE YOU VERY MUCH!
