**COMPUTER TECHNOLOGY.** Freshman Hall Sprott gets "hands on" experience with a lap top computer as a participant in a yearbook computer workshop. Those who attended the in-school workshop were taught how to design yearbook pages on computers.

**ALL FIRED UP.** Junior Beta Club president Matt Gilreath lights a candle, symbolizing part of the club's motto. In addition, officers Wylie Clarkson and Ellison Estes took part in the traditional ceremony of welcoming new and old members and taking the membership pledge.
