

1996-1997 "Life Between Summers" Comes to a Close

Celebratin' Life

THANKS FOR THE MEMORIES! Retiring Headmaster F. Carroll Taylor accepts an "appreciation" gift from fellow retiree Mrs. Betty Harden. At the close of the retirement luncheon in honor of these two and Mrs. Joy Taylor, the mood lightened as Mr. Taylor opened his gag gift from the Mrs. Harden and the rest of the faculty and staff — his own personalized toilet plunger.

ARE YOU READY FOR US, WORLD? Seniors Jan Faile and Robin Fletcher appear quite happy-go-lucky while classmate Bob Harkins has a more serious look about him as they prepare for the baccalaureate service. However, when all was said and done, the Class of 1997 celebrated the conclusion of their high school days with tears, cheers, hugs, and smiles.
