"I was inspired by a lady who wasn't even my teacher, but she loved the students like they were hers. To me the benefits of teaching are immeasurable and priceless." — Gary Drapeau

"Because of my mother's sudden death last summer, I realized I needed to spend more time with my children and have a job I loved. Luckily, the position here opened." — Joanne Cooper

"Knowing that teenagers need positive role models to help them achieve the maximum amount of success possible. My reward is seeing students get excited about learning." — Billy Keels

"I had some wonderful teachers and professors in high school and college. The dedication of these teachers inspired me to enter the teaching profession." — Harvey Brown
