

LISTEN UP! Middle school teacher Harvey Brown and high school teacher George Taylor listen intently during the teacher in-service meeting. All of the teachers attending paid close attention to the information given.

MAKING MUSIC. Mrs. Laurens Livings skillfully leads a lower school group during one of her music classes. Her dedication to teaching younger children music makes it possible for them to have a new exciting experience.

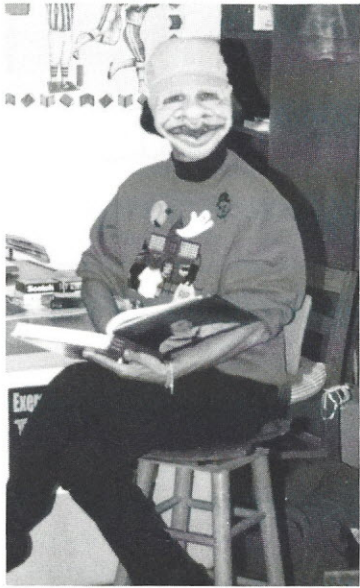

TAKE A LOOK

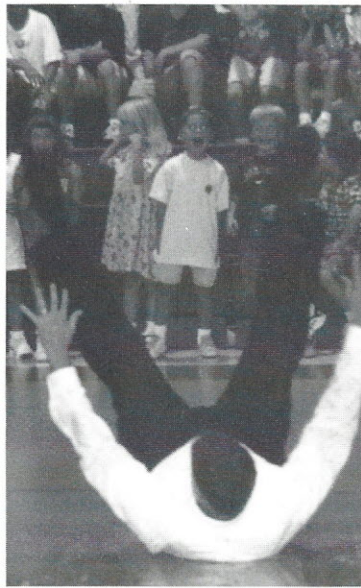

ART ON DISPLAY. Mrs. Fran Miller displays a work of art on her head as well as in her hand to her fifth grade class! This is just one of the many ways she made teaching fun for her students.

BE GENTLE! All of the teachers take special care to be gentle while throwing water-filled balloons to each other at a pep rally. All the students enjoyed watching the teachers face such a difficult challenge that day!

HAUNTING HALLOWEEN! Mrs. Harvey Brown gives her students quite a scare as she teaches with her troll mask on. Mrs. Brown had competition, though, as Mrs. Vicki Robinson also had a bewitching appearance that day.

SLIPPIN' AND SLIDIN'! Mr. Billy Keels is one of the unlucky victims of the balloon game at a pep rally as he slides to the floor. When it was all said and done, there weren't many dry teachers left standing!
