

J.V. SEASON OFFERS

Promise For The Future

YOU'RE OUT SHORT STUFF. After tagging first to get the out, Stuart Edwards whips the ball for a possible double play. Making a double play requires skill, precision, and teamwork.

LOOKING FOR THE SIGN. Kevin McDaniel looks for his sign from the catcher before throwing a pitch. Kevin's abilities on the mound were a great help to the Eagles' success.

A CLOSE ONE. Tyler Thigpen slides through the mud in a desperate attempt to get back to second, making it safe by just a split second. Such effort was typical of the JV squad as they gave their all each game.

POWER! Freshman Jake Gaston puts all his power behind the bat as he sends the ball sailing. Jake could not only be counted on for power hits throughout the season but for a super job from the pitcher's mound as well.
