

# BUMPIN' — SETTIN' — SPIKIN' to First

**OFF COURT FUN!** Celebrating the recent win over Wardlaw, members of the team stop in at Saluda's Burger King to have some fun on the playground. This spirited group bonded well as a team throughout the season.

**FRUITY FUN!** Juniors Baetti Smith and Kim Jones toss and catch grapes in between matches at the State Tournament in Sumter. These fun moments took away some of the pressures of the tournament for everyone.

**A-C-E!** All of the players celebrate an ace with their traditional cheer! This cheer was one of the many ways they kept their enthusiasm at top level during matches.

**SIGNS OF THE TIMES.** Junior players Frances Ladd, Sally Hinnant, Baetti Smith, and Jennifer Atkerson show off Ace And Kill signs that they flash to the crowd at the appropriate times during the match. These were used to fire up both the players and the crowd.

**POWER SERVE!** Junior Kim Jones slams her serve over the net against the opponent. This was only Kim's first year on the varsity team, but her consistent serving ability was a valuable addition to the team.
