

Conference 2-AA Title

SERVIN' WITH STYLE! Left-handed first server, Susan Martin, gets the Lady Eagles off to a good start with her consistent serving. Susan, a senior, mastered her new position as the team's setter and was voted the team's MVP.

LISTEN UP, LADIES! Prior to the first game of the match against Newberry, Coach Martha Ladd gives a pep talk to the starters to cut the pre-game tension and loosen the stress. The RWA team went on to win the match against the conference rival Eagles.

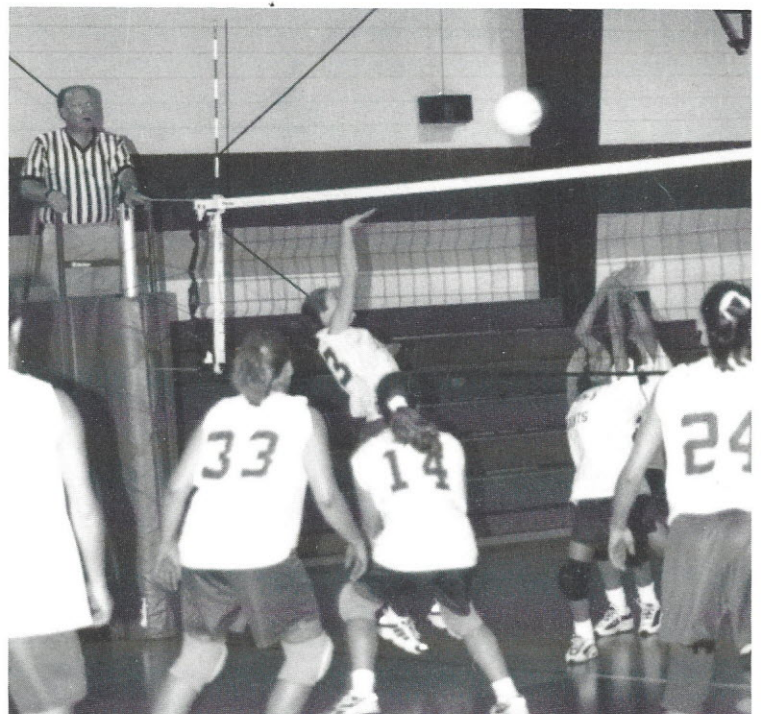

I GOT IT! Concentration is the key as middle back player Reid Patrick attempts to pass the ball back to setter Susan Martin. Although Reid was the youngest on the starting line-up, her two years prior experience on the team made her a valuable asset.

READY, SET, LET'S PLAY! Anticipating the opponent's serve, back row players Wendy Gwynn and Jennifer Atkerson get in a serve receive position. This was Jennifer's first year playing volleyball for RWA and Wendy returned to play for her second season.

ALL STAR TRIO. Frances Ladd, Leah Branham, and Reid Patrick have been members of the RWA team since its inaugural year three years ago. This threesome were selected by the SC Independent Coaches' Association to participate in the North-South All Star games in Charleston last November.

SPIKIN' SALLY! Sending the ball across the net with power and accuracy is Sally Hinnant's goal as the team's left front hitter. Sally's love of the game and improvement in her playing level earned her an All-Region selection.
