**ON THE FIELD ...** After scooping up a hard hit ball at shortstop, Kimberly looks to make the throw to first base. Berly's strong defensive play throughout the years have been a key factor in the success of the Eagles.

**AT THE PLATE ...** Kimberly gets down low to get a base hit against triple-A school Cardinal Newman. Offensively Kimberly lead the team with 17 RBI's this season.

**A SENIOR STAR.** Before traveling to the last game of the season the juniors present senior Kimberly Weed with balloons, flowers, and an autographed ball. Kimberly's leadership and dedication will be missed next year.
