A LITTLE ADVICE. Coach Tanner Pope instructs player Courtney Melton on what to do during kick-off. Because of Tanner's good coaching, the TICKS were able to defeat the MITES by a score of 8-0.

UNSTOPPABLE. With a determined look, senior Lindsey Bonds makes her way past defenders towards the goal. Lindsey and the three other seniors that participated helped make the game a fun and exciting time for everyone.

GIRLS WILL BE GIRLS! Martin Timms gives up on trying to explain a play to his team as they discuss of their own how to stop the TICK. Even with a team full of such strong-minded girls, Martin provehimself as a coach.
