

NOTE-WORTHY MUSIC

SMILING FACES ... These six girls sing the lovely tune "Carolina Wren", one of Mrs. Nelle Sprott's songs about our fine state of South Carolina. The whole third grade class also had their SC scrapbooks out on display.

FOR THE LOVE OF MUSIC. The K-4 and K-5 classes combine voices as they not only sing "If I Were a Butterfly", but also use hand motions with the words. All of their songs featured animals of various kinds.

SOLDIERS OF SONG. Third graders Mikey Bunting and Lea Allen step forward on stage with their props in hand to lead the group in singing "The Land Belonged to England." All the students really enjoyed their study of SC.

GRAB YER PARD'NER. Price Douglas and Brittany Wilkes demonstrate some square dance moves as the rest of the fourth graders sing "Turkey in the Straw."

INDEPENDENTLY PROUD. Because of their study of our nation, the fifth graders enjoy singing about our country's fight for freedom. Paul, Kyle, and Corey got the honor of reenacting the writing of the Constitution.
