

VOLLEY GIRLS TAKE IT TO THE NET

CIRCLE OF FRIENDS. During a week of volleyball camp in North Charleston, the players learn not only about volleyball, but about each other as well. This bond made for a successful team that was close on and off the court.

AIR PATRICK! Veteran player Reid Patrick stretches high as she jumps up to spike the ball. Reid led the team statistically in several categories and was recognized for her talent by being selected to the All Conference and SCISAA All Star teams.

IS IT MY TURN YET? Jennifer Atkerson waits patiently for the serve as Wendy and Frances show off their balancing skills as they switch positions. The players knew when to lighten the stress by having fun while also being able to stay focused on the match.

LEAVING ON THE NEXT TRAIN? Despite the train roadblock enroute to a match in Greenwood, the Lady Eagles fire up their own engines to bring home another victory. The girls used this opportunity for a fun Kodak moment.
