

AWESOME EFFORT

TRIPLE THREAT. Kyle Stokes looks for the open man in hopes of scoring an easy basket. Kyle's speed made him a tough opponent to guard as he kept the offense moving from the point guard position.

TO THE HOLE. Senior Brent Branham takes the ball up against Cambridge as Joseph Cook and Jim Edwards look to get the rebound. Brent's versatility kept him playing all over the court this year.

TOUGH D! Junior Joseph Cook plays tight defense in an important conference game against Cambridge. The Eagles's tough man-to-man defense played a key part in their successful season.

SINK IT! Sophomore guard Matt Gilreath follows through on his free throw in hopes of adding points to the scoreboard for the Eagles. Matt's good free throw shooting was a great asset to the team.

GAME PLAN. Coaches Kip Stokes, Marion Fetner, and head coach Mike Robinson each concentrate on the game. The time and effort that these three coaches put into the season was greatly appreciated.
