"If At First You Don't Succeed ...

... I would not give up I would have to keep trying to get the right things." — Robbie Huey

... I would go to summer school." — Brooks Quinn

... There's always next year." — Shanna Douglas

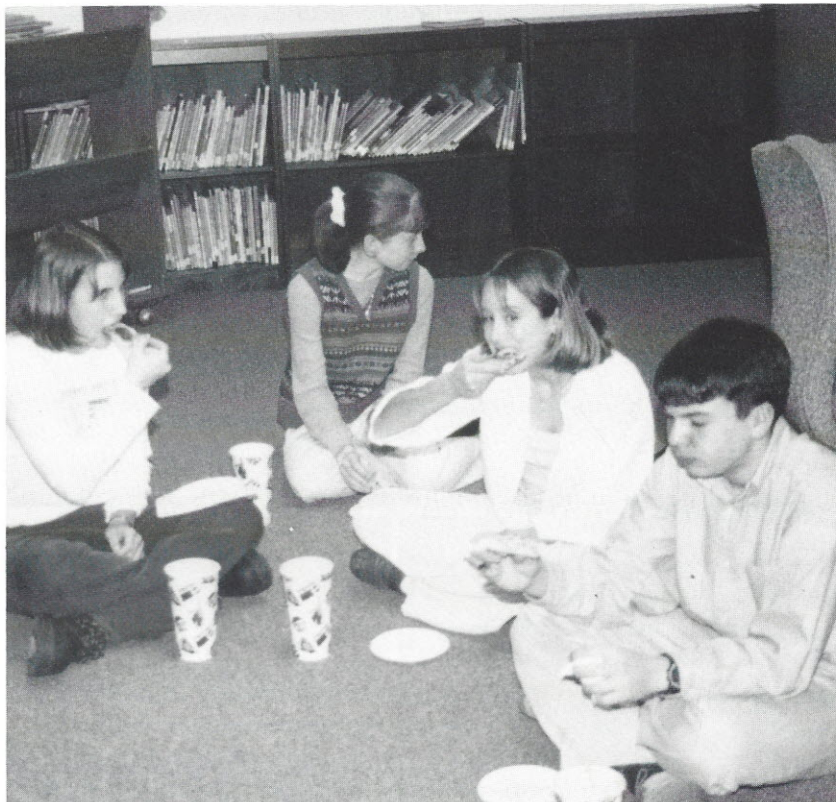

... Change the rules, and try again." — Heather Tolbert

... Think about what you are doing and correct yourself." — Laura Stuck

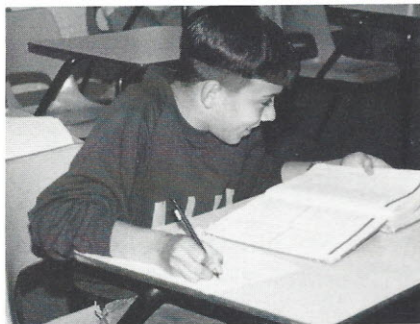

... Try and try, and finally you get results." — Justin Coleman

... Try, try again." — Will Lemmon

... There's a price for everything." — Smith Harden

YUM! YUM! Meredyth, Mary Beth, Brittany, and Josh enjoy their Jr. Beta Club pizza party. These students had to maintain a B average or better for a whole semester to qualify as Jr. Betas.

MATH MADNESS. Joey Burroughs looks happy to be studying Algebra. All of the middle school students benefited from Mr. Dale's patient teaching instruction.

ROLL CALL ... Mr. Ronnie Collins calls the roll during his eighth grade homeroom period. Most students use homeroom to finish undone homework before classes begin.
