**ROUND 'EM UP!** K-5 students eagerly await their chance to ride the horses on their visit to Stephenson's Horse Farm in Lowry, SC. Every student enjoyed the chance to get to be cowboys or cowgirls for the day.

**PUMPKIN PICKIN'.** Boyd Ellison, Sabrina Hacker, and Ryan Parker enjoy selecting their pumpkins that are theirs to keep. This was just one of the many exciting and fun-filled field trips these students enjoyed.

**FUTURE FARMERS OF AMERICA.** These youngsters show their school spirit and support of the Eagles football program by participating in Farmer's day during homecoming week. Farmer Day was one of the favorite dress up days.
