

# STRUT THEIR STUFF

During Spirit Week

**PHYSICS AND FARMING.** On farmer's day, Mr. Langdale's Physics class takes a break from studying about the forces of nature and poses for a picture. Many classes joined in on the fun by dressing in overalls, flannel, and straw hats.

**KICK UP YOUR HEELS!** Decked out in her western gear, first grader Catina Gibson flashes a smile for the camera. For many of the lower school students dressing up for homecoming week was a great way to show their school spirit.

**DOUBLE TAKE!** Freshman Naomi Berzeley and Lacy Harsey double the fun by dressing alike on twin day. Their spirit, along with the rest of the school's, was really appreciated on Friday night when the Eagles faced the Cardinals from Cardinal Newman.

The Varsity Cheerleaders  
chose the following themes  
for each day of Spirit Week

*Monday: Twin Day*

*Tuesday: Farmers Day*

*Wednesday: Camouflage Day*

*Thursday: Mourning Day*

*Friday: Spirit Day*

**KING OF THE JUNGLE!** Everyone bows as Matthew Wilkes is crowned Homecoming King. Throughout homecoming week students were able to cast their votes by putting money in the senior football players' jars.
