

APRIL 1, 1999

Prom King Matthew Wilkes and Prom Queen Courtney Melton

HOLD ON TO THE NIGHT. Kayla Isenhower tightly holds on to her date Trey Fletcher as he holds on to her shoes. The long awaited event seemed to be over too quickly for everyone present.

WORK IN PROGRESS. Juniors Hall Spratt, Kyle Stokes, and Wendy Gwynn work together to assemble one of the many props for the prom. After a week of hard work, the result was well worth it.

ARRIVING IN STYLE. Making their way to the Old Armory, senior Maribeth Coleman and junior Jae Mattox arrive in a horse-drawn carriage. This unique entrance was one of the many highlights of the night.

SHAGGING ON THE BOULEVARD. Headmaster Deane Fowble and Rebecca Poston shag the night away. This music allowed the parents and faculty to show the students what they could do.

PROM MOM. Junior Russ Brown takes time away from his friends to share a dance with his mom. Many of the parents, including Mrs. Melinda Brown, spent time helping the juniors get the prom together.
