

# Class of ... 99

**THE LAST HOORAH.** The senior class takes time after their presentation to take one of their final pictures as a group. The prom was a chance to make many memories to cherish forever.

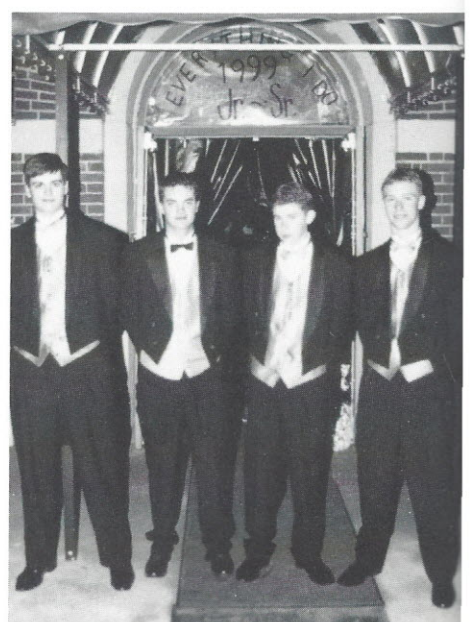

**THE CLASS OF 2000.** The junior class pauses from all the action to pose for a group picture. After all their long hours of hard work, it was fun to sit back and enjoy the results.

**TAKING A BREATH.** After months of preparation for this night, Mrs. Renee Allen can finally relax as she slow dances with her husband. The junior class was thankful to have such a dedicated sponsor.

**AT YOUR SERVICE.** Sophomores Kristen Keroson, Emily Mills, Jenni Caldwell, and Lacey Feaster pause from the night's activities for a picture. These girls were chosen as servers by the junior class.

**DRESSED TO KILL.** These four sophomores posed outside of the Old Armory before the prom began. Chosen to be valets for the night were Stuart Ward and Gill Harkins, while Josh Sanders and Matt Gilreath were escorts.
