

Jen... It's hard to believe that the time is here
For you to graduate. We ought to cheer...

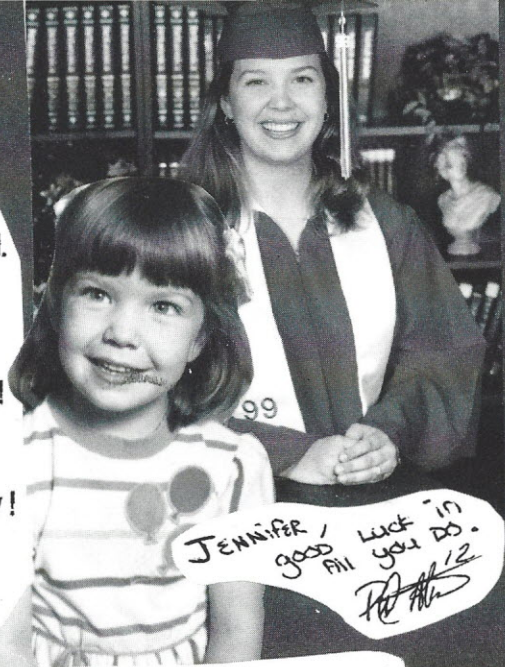

But instead we hate for it to come.
Because we know you will be leaving home.

We've enjoyed every minute... the good times and bad.
You know, you're the best daughter we ever had !!

Cheering, volleyball, and softball, too.
We enjoyed all those games. We were pulling for you !

But LANDER is calling... And we know you must go.
Plan to have fun... But you must STUDY, too, you know !

We wish you luck and good fortune, too.
Always remember, Jennifer, how much we love you !!

JENNIFER / Luck in
good Fall you do.
