

**LITTLE INDIAN GIRL!** Dressed like a Native American, Grace Wilkins sings about the first Thanksgiving during the second grade program. This was a fun day for the kids to learn about our country's history.

**HAPPY THANKSGIVING!** The whole second grade class participate in the annual Thanksgiving play. The second graders did an excellent job with this play as well as the other ones they participated in throughout the year.

**HE'S SAFE!** Mackenzie Robinson slides home safely during a kickball game at recess. This was one of the second grade's favorite games to play when given the chance to go outdoors.
