

A WORK OF ART. Meagan Brown proudly displays her beautiful snowball that she created in art class. This project was inspired by all the snow we got this winter.

SHOW AND TELL. Logan Lewis and Emily Matthews show off their hard work to their classmates. These fourth graders always strive to work hard and do their best.

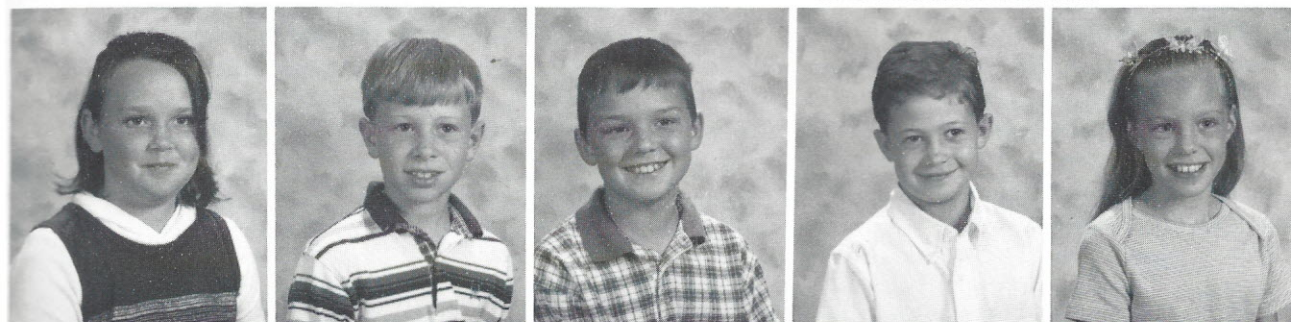

LOOKING UP THE FACTS. Christian Turner shows newcomer Jake Lee the real story behind the Titanic. Everyone enjoyed learning about the Titanic's fate.

FUTURE EINSTEINS. Logan Lewis, Allison Coleman, Lindsay Matthews, Hope Coleman, Jessica Sims, Emily Matthews, and Caroline McMeeekin show off their smarts at the SC Academy of Science fair. All of these students had lots of fun while involving themselves in educational activities.

CHRISTMAS BREAK. These fourth graders take a few minutes from their Christmas party to pose for a quick picture. They had a great first half of the year, but were more than ready for a break from their usual routine.
