BRIGHT MORNING SMILES. Mrs. Susan Young and Mrs. Dianne Arnette take a look at some important business on the computer monitor, but can't seem to keep a straight face. Although the office is considered to be a serious place, a little humor made it less stressful to conduct business.

LISTEN UP EVERYONE. Mr. Deane Fowble gives a speech to the RWA parent body during the annual corporation meeting. He talked to them about what the school expects from their students academically and socially, both in the classrooms and on the athletic fields as representatives of RWA.

NOW HEAR THIS. Addressing the faculty member during an after-school meeting, Mrs. Beth Reid discusses several rule changes with the staff members. Mrs. Reid took a great amount of pride in doing her best to keep the school running smoothly and effectively.
