CAUGHT BY THE CAMERA. Mrs. Julie Doty settles down at her desk and is caught by surprise as the camera flashes. Despite her frenzied expression, Mrs. Doty always had her class working hard and is well organized.

THANK GOODNESS I'M A COUNTRY GIRL! Miss Hellen Rexrode sports her country get-up on Farmer's Day during homecoming week. The teachers as well as the students enjoyed participating in the homecoming festivities.

HEAD OF THE CLASS. Mrs. Barbara Simms takes a break from the rowdy sixth graders to smile for the camera. Even though this was Mrs. Simms' first year teaching, she has proved to be a valuable member of the staff.
