

Slidin' Home

FANTASTIC PLAY! Shortstop Robert Mason, an eighth grader, makes a diving catch to rob the batter of a hit as left fielder Kyle Byrd comes in to back him up. All season long Robert played solid defense and hit over .400 at the plate.

DEEP CONCENTRATION. Third baseman Brock Williams focuses on the batter while ninth grade pitching ace Josh Peake gets set to deliver the next pitch. Josh went undefeated on the mound, going 5-0, and he pitched a no-hitter against Ben Lippen.

READY AND WAITING. First baseman Sam Arnette, a freshman, watches the action closely at the plate and sets up ready to make the play. Sam hit one homerun during the season and ended with over a .300 batting average.

BLAST OFF. Eighth grader Jim Wagers blasts the ball for another base hit. Not only was Jim very effective as a pitcher, but he led the team's offense by setting the J.V. single season batting average record, hitting over .500.

IT'S LIKE THIS, SPANKY ... Coach Billy Keels calmly gives baserunning instructions to eighth grader Justin Speagle. This J.V. team experienced one of the most successful seasons yet and much credit was due to Coach Keels.
