

# Make A Pass In The Grass

**WITH EAGLE EYES.** Coach Mark Talbert and Coach Marvin Morgan focus their attention on the playing field as their soccer Eagles soar to score. Due in large part to their fine coaching, this young team achieved their best regular season record ever.

**A SENIOR'S FAREWELL.** Andrew Williamson is embraced by his teammates during halftime of the final home match. The team and coaches presented him with an autographed miniature soccer ball as a keepsake and remembrance of his final RWA soccer season.

**PERPETUAL MOTION.** Always on the go, sophomore Cory Shirley sees an opening and takes advantage of it. Cory's soccer skills, coupled with quick decisions and teamwork, helped the Eagles in key situations.

**LOOKING AHEAD.** Senior Andrew Williamson dribbles downfield in anticipation of passing to a teammate. The players worked hard at controlling the ball and making good passes.
