

ON THE BALL! Forward Paul Atkinson takes charge of the ball as he anticipates his opponent's next move. Paul's speed, quickness, and talent contributed tremendously to the overall success of the team this season and earned him MVP honors.

MARVIN ON THE MOVE! Marvin Morgan, forward, turns on his "bionic" speed as he hustles to gain control of the ball over the Cambridge opponent. Only a sophomore, good things can be anticipated from Marvin's soccer skills for at least two more seasons.

I WANT IT! Sophomore Edward Frazier aggressively blocks the Cambridge opponent as they "dog-fight" for ball possession. Although the Eagles suffered a defeat at home, they were able to reverse the results at their next meeting in Greenwood.

BODY SLAM! Fullback Smith Harden, a freshman, just barely gets off a kick pass before being slammed into by his opponent. The game of soccer is often challenging and rough play, full of bumps, bruises, and crashes.
