

JOB WELL DONE! Despite the narrow two goal loss to conference foe Cambridge at home, the Eagles hold their heads high and show good sportsmanship following the game. Win or lose, the teams always shake hands to keep competition at a friendly level.

JUST FOR KICKS! Freshman fullback Zach Branham passes a defender and sends the action way downfield. Although Zach was one of the younger members of the team, his contributions were valuable to the team's success.

JUSTIN ON THE LOOSE! Charging forward to gain control and pass upfield to a teammate is sophomore halfback Justin Swearingen. He was just one of a team loaded with sophomores who will hopefully be around to lead the RWA soccer program two more years.

BERRY'S BATTLE. Part of Berry's soccer responsibility as a fullback is to help defend the goal and keep the opponents from attacking the goal successfully. Here Berry kicked it away and allowed goalie Michael Smith a chance to breathe easy again.
