

Fire Ants Bite Killer Bees 8-6

On the night of Thursday, November 11, 1999 at 6:00 pm, the fourth annual R.W.A. Powderpuff game was underway. For the most of the evening the two defenses proved too strong as the end of regulation the score was 0-0. In overtime, the Bees were the first to strike with a 7 yd. run from sophomore Hannah Phillips, but the two points conversion failed. Then on a fourth and goal play from the ten, Brittany Foster found Caroline Ogburn in the end zone over two defenders. On the two point conversion Brittany again fired one to Caroline to take the victory 8-6.

TURNING THE CORNER. Number 82 Hannah Phillips goes around the end and into the end zone for the only Killer Bees score. Although the Bees lost, these girls showed their grid iron skill in the crushing defeat.

COACHING TIPS. Coach Keith Carter explains to #32 Jenni Caldwell the Fire Ants defensive strategy. Jenni's strong defensive play helped the Ants come away with the victory.

STARE DOWN! The senior captains Reid Patrick, Coleman Startzman, Blair Wright, Wendy Gwynn, Marcy Rice, and Hall Sprott try to intimidate the undersized, younger Fire Ant captains before the toss. These six girls showed their uncanny talent on the field although they suffered a loss.

TRIPLE TEAM. Killer Bee Coleman Startzman is attacked and stung by three Ants, Jennifer Dove, Nina Bedenbaugh, and Rebecca Timmerman. Coleman did an effective job plugging up the middle of the Fire Ant line despite the strong defense brought at her.
