

Christmas Is A Feeling

CLANK! CLANK! CLANK! The ghost of Christmas future that the audience will all anticipate year after year.

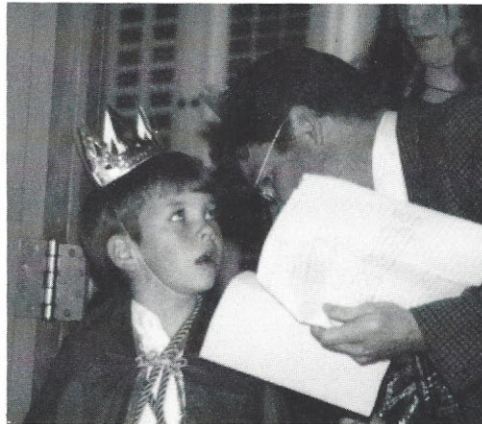

LIVIN' LA VIDA LOCA! The chorus proudly shows their dancing skills as they try to keep up with the pianist, Mrs. Nick. Mrs. Robinson, along with Mrs. Nicholson, organize the program annually.

KING EDWARD. Mitchell Edwards asks first grade teacher Wylie Wright for a few pointers before the program. Mitchell, one of the three kings, participated in the traditional nursery theme.

JOY TO THE WORLD. Grades K-4 and K-5 sing traditional hymns and songs for their 1999 Christmas Program. The children and teachers put in a lot of time to make this program the success it always is.

A ROYAL CAST. Mitchell Edwards, Crawford Dav and Douglas Moch each did their part to bring the Christmas past to life. These children and their classmates will help this program be even more of a success in years to come.
