

# Make Note!

**CROWN HIM KING.** Gen Palmer, a fourth grader, dresses the part of a majestic king during his class's spring play. The fourth graders enjoyed the acting opportunities along with performing the special music before a captive audience.

**WHAT'S COOKIN'?** Brandon Truesdale, Davis Wilson, and Erica Douglas cook up some entertainment for the audience. All the hard work and long practices paid off as the play was a complete success.

**THE PATRIOT.** Tommy Swearingen might have been selected for a part in the movie block-buster, *The Patriot*, but instead chooses to wear the Continental Army costume for his own fifth grade patriotic program. The program tied into what the fifth graders studied this year.

**SMILING FACES, BEAUTIFUL PLACES.** After learning a great deal about our beautiful and historic state, the third graders performed a music program about SC. Not only did they study and sing about our great state, but they also created SC scrapbooks.

**I SALUTE THE FLAG OF SC.** The third grade classes began their program by reciting the SC pledge. The students sang many of Mrs. Nelle McMaster Sprott's original SC songs.
