

B Team SHOWTIME

GIMME FIVE. The All Stars and the Flying Fleet shake hands following their game to show good sportsmanship. All the B-Team players were happy to get the chance to participate and show off their basketball skills.

UP, UP, AND AWAY. As sixth grader Casey Smith watches her shot attempt, the Sparks' players try to block out to get the rebound. Casey's height and ability made her a valued player on the Comets team.

Basketball
