

WORDS OF WISDOM. As valedictorian Philip Williams delivers his address, he explains that one should always do the right thing, no matter if he stands alone. Philip's honesty and good morals appealed to each and every one in the audience.

JITTERBUG JOY. Jenny Jones and Kristen Pullen try to rid themselves of the jitterbugs and butterflies prior to graduation. Smiles and laughter always seem to work in holding back the tears during life's emotional moments.

A SOLEMN MOMENT. Ryan Johnson and Taylor Goode listen intently to the inspirational words of Board of Directors Chairman Mike Mills. This special time marked a milestone event in the lives of the twenty-nine graduates.

THE FIRST BELL. Senior Amanda Bell leads a line of graduates as they each march slowly forward to take their seats of honor near the stage. It was a time to be both sad and happy as they enter into their final moments as Richard Winn students before being welcomed as alumni.

IT'S PARTY TIME! It's clear to see that these senior boys know how to enjoy a moment of celebration at the Graduation Dinner party. Not only did these guys work together to win state championships in golf and football, but they also bonded to create lasting friendships.
