

On September 25, 1981  
 God blessed us with you as our son.  
 When all is said and done  
 If we had chosen, you would have been the one.  
 Through the laughter and the tears  
 It has been eighteen great years.

We have traveled to see you play  
 Over the state each and every day.  
 Baseball at Drawdy Park  
 Where you first made your mark.  
 Football, golf, and basketball  
 We have loved it all.

The world is out there waiting for you  
 But we will always be here, too.  
 A fine man you have turned out to be  
 That is easy to see.  
 Follow that bright star  
 It will take you very far.

Live for all the glorious tomorrows  
 Life will fill you with no sorrows.  
 You can do anything you wish to  
 Believe in yourself, we do!  
 We are so proud of you, Jae  
 We thank the lord for you each day.  
 It is so hard to let go  
 We just love you so!

We love you!  
 Mom, Dad, and Berry
